

DAVID RICKARD

David Rickard (1975) is a New Zealand born artist who lives and works in London, UK. Following a degree in architecture he went on to study art at Accademia di Brera in Milan and Central Saint Martins in London. Through research and experimentation his works attempt to understand how we arrived at our current perception of the physical world and how far our perception is from what we call reality.

education

- 93 - 98 Bachelor of Architecture 1st hons, Auckland School of Architecture, New Zealand
